

H.O.P.E.'s Mission

Wednesday, 25 February 2009

H O.P.E ‘s mission is threefold: 1. To help bereaved parents in a one-to-one, as well as in a group setting. 2. To provide a support system to those who are administering to new members. 3. To help make those in the helping professions aware of our needs and to better help us at the time of our loss.
